

CAT TRAP LOAN AGREEMENT

- _____ I agree to only use this humane trap for my TNRM appointment(s) at Pasadena Humane or for a purpose pre-approved by the Pasadena Humane Community Cats Program Manager.
- _____ I understand that the traps are the property of Pasadena Humane solely, and I cannot loan them to another individual or organization.
- _____ I understand the loan period is 10 days only, with no renewals available, and that I must use the trap(s) efficiently during that time frame due to high demand.
- _____ I understand that I may only trap when I have a TNRM appointment already scheduled, and I will only trap the day or night prior to my appointment date. NOTE: Never trap without a TNRM appointment already scheduled.
- _____ I agree to never leave open or set traps unattended. Trapped cats are extremely vulnerable and should be taken to a safe and secure location indoors until ready for transport to surgery.
- _____ I agree to line the bottom of the trap with newspaper and cover the trap when there is a cat inside to reduce stress and help prevent the cat from injuring itself.
- _____ I agree to recover the cat the night after surgery in the covered trap, in an indoor space. **NOTE:** If you do not have an appropriate recovery space, like a garage or spare room/ bathroom, please let Pasadena Humane staff know ahead of time so we can make arrangements to recover your cat for you.
- _____ I will return the trap(s) and any trap cover fully cleaned, scrubbed with soap and water and clear of all debris/food.
- _____ I agree to immediately release any wildlife that I may accidentally trap, to the exact place the animal was originally trapped. **NOTE:** Relocation of trapped wildlife is illegal in the State of California.

By signing below, I acknowledge that I have read and understand and agree to the conditions listed above and that I am 18 years of age or older.
